**Ministry Name** **Safe Arms Medical Ministry**

**Ministry and Task Description**

Safe Arms is a group of medically trained individuals that volunteer their time and skills to serve the church family. Each Sunday, all services are covered by skilled medical servants. We also cover church events upon request. Members do not have to be medically trained but will be expected to sign up for coverage and help when needed with the skills they possess. Medical training is available. The group also supports and encourages all medical mission trips. The church does possess 2 AED units, oxygen, and supplies should an emergency arise at church.
